Sherri Schneider, QIDP

For over thirty years, Sherri Schneider, President of Family Benefit Solutions, Inc., and the mother of a child with some special needs, has been tirelessly dedicated to helping individuals with special needs and their families. Her career began as a social worker in a CILA (Group Home), where she helped those with developmental disabilities and mental illnesses acquire the government benefits they so desperately needed, including SSI, Medicaid and food stamps. She also launched one of the first CLF facilities funded under a Medicaid waiver. As her career flourished, she supervised personnel in Illinois, Missouri and Nevada to assist hospitalized patients apply for and obtain the government benefits for which they appeared eligible, with a strong emphasis on Social Security (Title 2), community and long-term care Medicaid. She now meets with families to thoroughly assess their situations and pursue appropriate benefit assistance programs by personally guiding them through the application process. Due to her vast experience, she has skillfully established and maintained open, productive relationships with government agencies involved in the entire decision making process. Sherri is a member of the Faculty of The Illinois Institute for Continuing Legal Education. She is also The Arc of Illinois Board Vice-President. Professionals and families find her seminars to be invaluable as they attempt to navigate the government benefit arena.

Benjamin Rubin, J.D., L.L.M

Attorney Benjamin (Benji) Rubin, Brian's youngest son, Mitchell's "little/big" brother, has been a member of the Law Firm since 2010. Benji graduated from the University of Illinois College of Law, Magna Cum Laude, received his undergraduate degree from Northwestern University, and his Graduate Law Degree, an LL.M (Tax), from Northwestern University. Benji is a member of the Academy of Special Needs Planners, a member, by invitation, of the Special Needs Alliance (the national not for profit association of special needs planning attorneys with membership by invitation only), is Chairman of the American Bar Association Special Needs Planning Committee, serves as the President of SIBS (Supporting Illinois Brothers and Sisters), the Illinois chapter of the national Sibling Leadership Network, an organization of adult siblings of individuals with intellectual disabilities, developmental disabilities and/or mental illness. Benji is a member of the Board of Directors of The Arc of Illinois, is a member of the Clearbrook Associate Board, an organization serving more than 8,000 individuals with disabilities, including his brother, Mitchell, serves on the Board of Directors of DayOne PACT, the Independent Service Coordination Agent for individuals with intellectual and/or developmental disabilities living in DuPage, Kane and Kendall Counties Illinois, as well as serves as Trustee of Special Needs Trusts, and serves as Guardian, serves on the Board of Directors of the Foundation of The Special Education District of Lake County (SEDOL Foundation), serves on the Advisory Council of Encompass (Encompass in partnership with Jewish Child & Family Services, Jewish United Fund, JVS Chicago, JCC Chicago, Keshet, and The Center for Enriched Living and Center for Independent Futures, seeks to provide adults with I/DD a full array of financially sustainable, community-based services and supports). Benji is also a Faculty Member for the Illinois Institute for Continuing Legal Education (IICLE) on the topic of special needs planning. Having Mitchell as a brother profoundly shaped who Benji is today, and thus the type of law he chose to practice. His personal experiences as a sibling offer a unique perspective into the responsibilities that come with caring for a sibling with special needs. Now, as an adult, those sometimes present and future responsibilities regarding his brother's care are a concern that he shares with all brothers and sisters of individuals with special needs.
