SUMMER CAMP

Camp New Hope's Summer Camp provides an overnight week-long summer camp experience- Sunday afternoon through Friday afternoon in June & July. Campers who would rather not stay the night can participate in day camp.

Every week offers new themes, performances, activities and food. Summer camp is filled with games in the rec center, mini golf at the playground, s'mores around the fire, swimming in the pool, fishing from the dock, boat rides on the lake, hiking on the trails and more! Each week culminates with an awards ceremony for campers, along with their caregivers and friends.

Financial aid is available thanks to support from our generous donors.

RESPIRE FOR CAREGIVERS

Camp New Hope's Camping/Respite Weekends provide an opportunity for campers to experience the same fun activities as regular camp while offering caregivers a break from their care giving responsibilities. You can rest easy knowing that your loved one is in a safe and caring environment.

Camping/Respite Weekends run Friday evening through Sunday afternoon, August through May. Campers stay overnight in the Respite Center and participate in camp-style games and activities.

Take time to rest and reconnect while your loved one makes memories to last a lifetime. Financial aid is available thanks to our generous donors.

YEAR-ROUND FUN

Bowling leagues are held in Mattoon and Charleston throughout the school year and are open to individuals with special needs who are between the ages of 8-80!

Participants socialize with their teammates each week, while working on their bowling skills and having fun! Scores are recorded for submission to Special Olympics.

Parties are held at Camp New Hope for Easter, Halloween and Christmas. Special guests, games, music and treats are part of these fun-filled events.

Parties are open to all individuals with special needs.
