

BECOME A CHANGE AGENT

in Your Community With a
Doctorate Degree.

DEGREES OF DIFFERENCE

Since 1886 National Louis University (NLU) has been preparing students for success in serving the needs of others. NLU's Ph.D. in Community Psychology program continues to carry out this legacy of community service by educating students toward bringing about community change.

A degree from NLU provides a foundation for you to enhance your career and contribute to the communities in which you work and live.

Our graduates are leaders in their respective fields in public health, social service and education, to name a few.
