- You will need to contact providers directly to find out about eligibility and other guidelines for their respite programs.
- Independent Service Coordination Agencies (ISC) have expertise in local resources. You can find your local ISC on the Illinois Life Span website at www.illinoislifespan.org by choosing your county and scrolling to the Independent Service Coordination Agency listing.
- The Illinois Respite Coalition may have emergency respite funding available. You can learn more about this funding and other respite information at: <http://www.illinoisrespitecoalition.org/home.html>
- Another funding source for respite for those who qualify is the IL DHS Division of Rehabilitation Services (DRS). For more information and eligibility requirements, contact your local DRS office. <http://www.dhs.state.il.us/page.aspx?module=12>
