About NSSRA

NSSRA is an extension of ten park districts, two cities, and one village in the northern suburbs of Chicago. We have been creating an environment of belonging through play since 1970 and have the distinction as the first Special Recreation Association in the country.

Inclusion Support

Inclusion provides a choice for individuals of varying abilities to experience recreation programming within their community. NSSRA and partner agency staff work closely with the participant and family to provide enriching recreational experiences while maintaining safety and confidentiality.

Inclusion services are available to participants of programs offered within NSSRA's thirteen partner communities at no additional cost to the family.

NSSRA's Inclusion Services also include, when necessary, staff training, program modifications/adaptations, modified equipment, and program observations.
