The Arc of Illinois is recruiting for its next Executive Director!

The Arc of Illinois is a dynamic and well-respected leader in Illinois. The organization advocates for people with intellectual and developmental disabilities, families, and community organizations to ensure that people with disabilities can live, work, learn, and play in communities across the state.

The Arc offers resources and information, supports families in their individual advocacy efforts and trains and educates people with disabilities, families, and professionals among other things.

The Executive Director is responsible for the overall administration of The Arc of Illinois including programs, government relationships, and business operations. The position reports to the Board of Directors, provides direct supervision of the Leadership Team, and is the visible leader of the organization with staff, volunteers, people with disabilities, and families. The Executive Director is guided by the mission of The Arc of Illinois with strategic planning, program and fund development, and advocacy activities on behalf of persons with developmental disabilities. Excellent knowledge of the IDD service system and business and financial management skills are essential for the position.

To submit your resume with cover letter (including salary expectation) to Board@thearcofil.org. Resumes will be accepted through March 20, 2024. General inquiries and questions can also be directed to the same email address.
