

IGAC

Illinois Guardianship and Advocacy Commission

SPECIAL EDUCATION DIVISION

Mission Statement:

The IGAC Special Education Division is a collaboration of the Human Rights Authority and Legal Advocacy Services created to help families navigate special education through training, advocacy, and legal support.

Goal:

An advocacy and legal resource for students with disabilities and their families.

Empower - Educate - Advocate

Services:

Special Education Training/Information Resource

- Helping families understand the special education process.
- Ensuring that families are aware of their rights and responsibilities.

Special Education Advocacy

- Consultations regarding individual issues or concerns, record reviews, and/or formal support services.

Special Education Legal Guidance/Resources

- Consultations regarding special education legal services, supports, and/or representation by an attorney.
