# STREET OUTREACH PROGRAM

AN EXTENSION OF THE AID VICTIM & OUTREACH SERVICES

The **AID Street Outreach Program** supports individuals experiencing homelessness by encouraging engagement with appropriate mental health services. **The goal of this program is to reduce inappropriate use of emergency services and support individuals with mental health needs.**

Initial engagement and street outreach will be **unique** to each individual. The level of engagement and length of service will depend on each individual's needs.

**Eligibility:** Individuals who are frequently using emergency services due to homelessness and an increase in mental health concerns.
