

Host Family Program

Similar to foster care, the Envision Unlimited Host Family Program pairs eligible Envision Unlimited adult members* with intellectual/developmental disabilities (IDD) with host families so members may live in the community in a private home and enjoy choice, independence, inclusion and community involvement.

What Our Wonderful Host Family Program Offers

- ✓ **Personalized Care:** Host CILA (community integrated living arrangement) offers residential supports in a true family environment, providing personalized care and attention.
- ✓ **Community Integration:** Host CILA emphasizes community-based programming, helping individuals with IDD to engage in various community activities and build meaningful connections.
- ✓ **Flexible Support:** Host CILA provides flexible support tailored to the unique needs and preferences of each individual, ensuring they receive the care they need while maintaining their independence.
- ✓ **Experienced Providers:** Host CILAs are managed by experienced and licensed providers who are dedicated to improving the quality of life for individuals with IDD.
