

# ADA Online Learning

**Continued Education Recognition** is available for all programs. The types of recognition vary depending on the program content. Information on the specifics are available for each session via the individual program's website.

AccessibilityOnline represents a collaborative training program between the ADA National Network and the US Access Board. The AccessibilityOnline Webinar Series offers free webinars on a variety of topics concerning accessibility to the built environment, information and communication technologies, and transportation.

The ADA Legal Webinar Series is designed for individuals who have a working knowledge of the ADA and are familiar with its basic elements. Sessions are intended to support continued learning and focus on implementation of the law in terms of how the federal agencies and the courts are interpreting the law and subsequent regulations.
