

**HELP SHAPE THE FUTURE OF
DEVELOPMENTAL DISABILITY SERVICES
IN ILLINOIS**

Your voice matters. The Arc of Illinois, as a member of The IDD System Redesign Coalition, is collaborating with the University of Illinois Chicago (UIC), the Illinois Association of Rehabilitation Facilities (IARF), and the Institute on Public Policy for People with Disabilities (IPPPD) to conduct statewide listening sessions and a survey to understand what's working—and what needs to change—in the developmental disability system.

Whether you are a self-advocate, family member, or professional, your experience can help guide improvements that make Illinois' system more inclusive, effective, and person-centered.
