We are a community-based, non-profit organization that provides free case management, mental health counseling, programs, and advocacy work to the nearly 140,000 people living with epilepsy, as well as their families and caregivers, in the 44-county area we serve. One-on-one sessions with clients, a wide array of support groups, social gatherings for children and adults, as well as legislative initiatives are at our core and key to bettering the lives of people with epilepsy. Our education team also gives free Seizure Recognition and First Aid training to thousands of school personnel and staff of companies and organizations each year.

Legal and future planning for our fellow Illinois families of individuals with special needs, including intellectual disabilities, developmental disabilities, physical disabilities, and/or mental illness, is not one thing we do; it's the only thing we do; it's not one area of our practice, it's our only area of practice.

On January 27, 1981, Mitchell Rubin was born. Mitchell is the son of Rubin Law's founder and The Arc of Illinois Past President, Brian Rubin. Mitchell has Autism among other diagnosed special needs. The birth of Mich changed the lives of Brian and his wife, Linda. For Brian, an attorney, his professional life, as well as his personal life, took a "fork in the road". Since 1981, with Mitchell's birth, Brian's practice became dedicated to appropriate "Special Needs Legal and Future Planning" for his fellow Illinois parents and families of children and adults with special needs. This includes Estate Planning, Estate & Trust Administration, Special Needs Trusts, OBRA 93 Trusts, Adult Guardianship Proceedings, Government Benefits Planning, Guidance on Residential and Day Services, Transition Planning, and related matters. In 2010, Brian's youngest son, attorney Benajmin (Benji) Rubin, now President of Rubin Law, joined the practice. Find out more about Rubin Law at www.rubinlaw.com
